John Copple, Highway Administrator, and Barry Hodges, City of Minneapolis, talked to the board about the request from Mayor Hoover about getting a sign on the highway saying Minneapolis from the bridge detour. The state has granted permission as long as the state doesn't pay for the maintenance or construction. John feels that the excess traffic should not be directed on the county road Limestone. The commissioners thought the City of Minneapolis should be the ones to purchase the sign, and the county would put it up. Barry said they would not have a problem with that. Commissioner Kay moved to give agreement for the City of Minneapolis to purchase and put signage up for Minneapolis. Commissioner McGavran seconded. Motion carried. Scott Hartman, Bobcat of Salina, was present for discussion on a proposal for a Bobcat Skid-Steer Loader and Fork Grapple. The Bobcat skid-steer was quoted at lease price for 150 hours per year for \$2,850, and the fork grapple is \$3,705. Commissioner Kay moved to approve the lease for a year. Commissioner McGavran seconded. Motion carried. It was decided to wait on the fork grapple. Commissioner McGavran signed the agreement. John priced 100 bridge planks, Ottawa County Lumber, \$67.65, and Miltonvale Lumber, \$65.90. John will get them at Ottawa County Lumber.
