

The Board of Commissioners met in regular session with Commissioner Harold McCullick, Commissioner Kathy M Luthi, Commissioner Ray McGavran, and County Clerk Mary Arganbright.

The meeting was called to order by Chairperson Luthi.

The official minutes of June 4, 2007, were read, approved, and signed.

Vouchers were approved.

Truette McQueen, County Appraiser, presented his 2008 budget for consideration.

Mark Freel, Economic Development Director, came in and updated the board on what is going on.

Ken Stelter, Custodian, brought in the information on what windows in the courthouse have been replaced and what ones are broken and need replaced. The commissioners asked for Ken to get a quote on the broken ones.

John Copple, Highway Administrator, discussed roads and bridges. John asked about the wage increases he requested several weeks ago. Commissioner McGavran moved to accept the raises as proposed by John. Commissioner McCullick seconded. Motion carried.

For the record, Commissioner McGavran left the meeting at 10:25 a.m.

Janice Davidson, Emergency Management, brought up a letter agreeing to transfer the decontamination unit from the hospital to the county, which the commissioners signed.

Ken White, County Sheriff, gave prisoner count of 37.

With no further business before the board, the meeting adjourned at 11:35 a.m.
