Regular Session

The Board of Commissioners met in regular session with Commissioner Kathy M Luthi, Commissioner James P Kay, Commissioner Ray McGavran, and Mary Arganbright, County Clerk.

The meeting was called to order by Chairman McGavran.

The official minutes of June 22, 2009, were approved and signed.

The commissioners viewed a bridge on 80<sup>th</sup> Road, over Lost Creek, that had been damaged. Someone had already filled the hole with gravel, and the County will go out and take care of Tuesday.

Commissioner Kay moved to reappoint Truette McQueen as Ottawa County Appraiser for another 4 year term. Commissioner Luthi seconded. Motion carried. Resolution 09-07 was signed.

Keith Coleman, Sheriff, gave prisoner count of Sedgwick County 35, Johnson County 1, and Ottawa County 2. Keith reported that he received a \$100 donation from individuals and what he planned on doing with it.

Leslie Baker, Minneapolis Messenger, stopped in and asked the commissioners about maintenance plans for the road and bridge. She asked if the stimulus money, if the county got any, would affect the plan. The commissioners said that the county hasn't received any, and probably wouldn't since there was match money involved and the projects had to start immediately.

Payroll and Vouchers were approved.

For the record Commissioner McGavran left the meeting at 9:45 a.m.

With no further business before the board, the meeting adjourned at 9:50 a.m.
